The Court orders that the motion to waive fees is GRANTED.

The Court orders that, in lieu of granting defendant's motion for peremptory reversal and delayed application for leave to appeal, we REMAND to the trial court for a redetermination of whether defendant was previously provided the requested transcripts or other documents. Such redetermination is necessary because it appears the trial court may have confused defendant with his codefendant, who was previously provided with the requested transcripts and documents.

We retain no further jurisdiction.
